

Samarth Educational Trust's
Sawkar Homoeopathic Medical College, Satara

2ND Year CBDC

Batch – Aug 2024 to May 2025- Teaching Programme

SR NO	MONTH	DR S.H. APATE	DR S.R. BAGADE
1	AUG 2024	Introduction of surgery, Scope and limitations of Homoeopathy in surgical conditions, Surgical diseases explained in relation to Organon of Medicine	Shock- Definition, types, pathophysiology
2	SEPT 2024	What is Trauma/Injury, Types of Injury, Homeopathic therapeutics of injury, Head injury-Anatomy of skull, swelling of the head Fracture of the skull-fracture of the vault of the skull, fracture of base of the skull, Intracranial heamorrhage, Intracranial infections, Intracranial tumours Principles in management of RTA	Hypovolemic shock Traumatic shock, Cardiogenic shock, Neurogenic shock
3	OCT 2024	Management and resuscitation of trauma case Chest injuries Abdominal injuries Types of wounds, Wound-regeneration and repair, Healing by first intension and healing by second intention Wound-four basic stages in wound healing Principles of wound management	Septic shock, Crush syndrome Complications of shock and management Hom management for shock Burn-definition, types, pathophysiology of burns
4	NOV 2024	Hom in wound cases Scars and Keloid- Corn,Warts,Hypertropic scar,Solar keratosis,Bowen`s dis. Haemorrhage -Types Haemostasis and mechanism of haemostasis Hom theraps for haemorrhage Blood transfusion.	Assessment of burns Treatment of burns Hom Theraps in burns

5	DEC 2024	<p>Anatomy of body fluid, Normal exchange of fluid and electrolytes Salt intake and output Acid-base balance-acidosis, alkalosis Water deficit and excess Electrolyte balance-sodium, Potassium-normal intake and output, hypokalaemia, hyperkalaemia Magnesium-magnesium deficiency and magnesium excess Calcium-Hyperalemia, hypoelcemia Parenteral fluid therapy Nutrition- deficiency,pre and post-operative assessment, Causes and consequences of malnutrition in surgical patient Nutritional requirements Methods of nutritional support</p>	<p>Skin grafting -Indications Types of Skin grafting Management of Skin grafting 2nd Term- Hernia – Definition, causes Classification of Hernias</p>
6	JAN 2025	<p>Boil, Hom theraps of boil Carbuncle, Hom management of carbuncle Abscess, Hom theraps for abscess Cellulitis and Erysipelas, management of cellulitis and erysipelas Hidradenitis suppurativa Septicaemia and pyaemia Systemic inflammatory response syndrome Theraps for common surgical conditions 2 term -Special infections-Tuberculosis</p>	<p>Principles of management of hernia Inguinal Hernia- Anatomy,types. Inguinal Hernia-Clinical presentation and Diagnosis</p>
7	FEB 2025	<p>Syphilis AIDS Actinomycosis Leprosy Tetanus Infective Gangrene Homoeopathic theraps in special infections. Tumours-Definition of tumour,differences between benign tumour and malignant tumour,different varieties of benign tumours and malignant tumours</p>	<p>Surgical management of Inguinal Hernia Femoral Hernia- Anatomy, Clinical presentation, Diagnosis and Surgical management Umbilical Hernia- Types, Clinical presentation, Diagnosis and Surgical management Epigastric Hernia, Incisional Hernia, Spigelian Hernia,Lumbar Hernia,Traumatic Hernia,Obturator Hernia</p>

8	MAR 2025	Hom approach in benign and malignant tumours as curative and palliative therapies Cyst-Definition, types Cyst- Theraps Spread of malignant and benign tumours Benign tumours- papilloma, lipoma, fibroma, adenoma, Haemangioma, Lymphangioma, Hamartoma, Neuroomas, Neurofibroma Malignant tumours-Basal cell carcinoma, Squamous cell carcinoma, Glandular carcinoma The melanomas, Sarcomas	Theraps of Hernia Ulcer-Definition, types Clinico-pathological presentation of Ulcer Diabetic ulcers
9	APR, 2025	Hom manangement of tumours Sinus and fistula Hom manangement for sinus and fistula	Tuberculous ulcers Syphilitic ulcer Ulcers- general management Theraps of Ulcer

CLINICAL TEACHING PROGRAMME (Aug 24 to May 25)

DR. S.H.A

SR NO	PROPOSED MONTH	NAME OF TOPIC	METHOD OF TEACHING
1	AUG 2024	Surgical case taking	
2	SEPT 2024	Surgical case taking. Examination of trauma case	Clinical Demo
3	OCT 2024	Transport of the Injured Examination of Head injury case	Clinical Demo
4	NOV 2024	Examination of wound,suture technique	DEMO
5	DEC 2024	Examination of Haemorrhagic Case Examination of Shock Fluid,Electrolytes and Acid base balance- Clinical Examination and Evaluation	Case Based Learning
6	JAN 2025	Clinical Examination of Burns Common surgical infections- Clinical Examination	Case Based Learning
7	FEB 2025	Special infections- Clinical Examination Examination of swelling- cysts	Case Based Learning
8	MAR 2025	Examination of swelling – Tumours Examination of Hernia	Case Based Learning
9	APR 2025	Examination of ulcer Examination of sinus and fistula ABC management	Case Based Learning
10	MAY 2025	Wound Dressing,Fluid Therapy	Clinical Demo

 TEACHING PROGRAMME - III BHMS
 Batch – July 24 to May 25

SR NO	MONTH	DR S.H. APATE	DR S.R. BAGADE
1	JULY 2024	Earache, Otosclerosis, Deafness, Tinnitus, Vertigo, Infranuclear facial paralysis	Appendicitis, Pancreatitis.
2	AUG 2024	Meniere's disease. Tumors of ear, HomTheraps of Ear. Anatomy and Physiology of nose and paranasal sinuses, Its Examination	Appendicitis, Pancreatitis, CA pancreas. Irritable bowel disease, Intestinal obstruction, Volvulus and intussusption, Ca Colon, Theraps for Disease of oral cavity, oesophageal disease, Stomach, intestines. CA intestines. Amoebic liver abscess. Liver tumours and portal hypertension and its Theraps, Cholelithiasis and Cholecystitis. CA Gall bladder
3	SEPT 2024	Diseases of external nose, Deviated nasal septum, Rhinitis, Nasal polyps, Epistaxis, Sinusitis.	Liver tumours and portal hypertension and its Theraps, Cholelithiasis and Cholecystitis. CA Gall bladder Rupture of spleen, Theraps for Gall bladder and liver.
5	OCT 2024	Sinusitis. Tumours of nose, Theraps for nose. Theraps for nose. Anatomy, physiology&Examination of Pharynx, Larynx, tracheobronchial tree and oesophagus.	Congenital diseases of urinary tract, Urinary tract infection-Pyellonephritis, pyonephrosis, Urinary calculi Hydronephrosis, Haematuria Tumours of urinary system, Theraps for Urinary system.
6	NOV 2024	Pharyngitis, Hoarseness, Tumours of Larynx and Laryngopharynx, Pharyngeal tumors, Laryngitis Singer's nodes	Theraps for Prostate Benign enlargement of prostate, CA prostate Varicose veins, DVT, Gangrene, Aneurysm, Raynaud's disease, Buerger's disease, Lymphangitis and injury to peripheral nerve. Theraps for arterial disease& venous diseases.

7	DEC 2024	Tonsilitis, Quinsy, Tracheostomy, Theraps for throat. Applied anatomy and physiology of teeth and gums	Hernia and Theraps for hernia Fissure in ano, Fistula in ano, Haemorrhoids, Theraps for rectal and anal dis. Disease of mesentry,
8	JAN 2025	Gingivitis. Dental caries, Root canal therapy. Dentitional problems. Theraps in dentistry	Peritonitis. Pericardial effusion, cardiac tamponade, congenital heart diseases, Theraps for heart disease. Mastitis, fibroadenoma and fibroadenosis of breast, CA breast, Theraps for breast.
9	FEB 2025	Applied anatomy and physiology of eye, examination of eye, Errors of refraction, Conjunctivitis	Goitre. Theraps for thyroid. Chest injury, Pneumothorax, CA lung, Theraps for lung affections. Diseases of oral cavity, oesophagus- Reflux oesophagitis, Dysphagia, Achalasia cardia CA oesophagus. Peptic ulcer, CA stomach,
10	MAR 2025	Scleritis and Staphyloma, Uveitis, Iridocyclitis Diseases of cornea, Diseases of cornea, Sty, Chalazion, Systemic ophthalmology, Blepharitis, Squint, Nystagmus, Cataract Glaucoma	GIT Theraps Fractures in general. Fracture- clavicle, humerus, dislocation of shoulder, Colle's fracture. Fracture femur neck Osteomyelitis
11	APR 2025	Ocular Injuries, Blindness, Dacryocystitis., Theraps- infections of eye, cataract, inflammation of eye conditions, Theraps - Glaucoma, sty Theraps of eye, Anatomy and physiology of ear, examination of ear, Otitis externa, Otomycosis, Wax, Foreign bodies Otitis media	Dislocation-Hip, knee and Pott's spine, Tuberculosis of joints-Hip and knee.
